

Curriculum Vitae

January 2017

DEVON D. BREWER

Interdisciplinary Scientific Research
P.O. Box 15110
Seattle, WA 98115
tel. (206) 985-2398
email: dbrewer@interscientific.net

EDUCATION:

- 1989 B.A., Anthropology (summa cum laude), University of Washington
- 1992 M.A., Social Science
Program in Social Networks, University of California, Irvine
- 1994 Ph.D., Social Science
Program in Social Networks, University of California, Irvine
Dissertation: "Patterns in the recall of persons"
Committee Chairs: A. Kimball Romney and Linton C. Freeman

POSITIONS HELD:

- 2002 – present President and Director
Interdisciplinary Scientific Research
- 2002– 2003 Epidemiologist (Research Scientist 4)
Sexually Transmitted Disease Program
Public Health-Seattle & King County/University of Washington
- 2001 - 2002 Director, STD/HIV Disease Intervention Services
Sexually Transmitted Disease Program
Public Health-Seattle and King County, Washington
- 1996 – 2001 Research Scientist 3
Alcohol and Drug Abuse Institute, University of Washington
- 2000 - 2001 Visiting Assistant Professor
Department of Sociology and Social Work, Pacific Lutheran University
Courses: Introduction to Statistics (STAT 231), Social Problems (SOC 240)

POSITIONS HELD (continued)

- 2000 Adjunct Assistant Professor
Interdisciplinary Arts and Sciences Program
University of Washington-Bothell
Course: Understanding Statistics (BLS 315)
- 1998 - present Affiliate Assistant Professor
Departments of Anthropology (1998-2013), Psychology, and Sociology
University of Washington
Courses: Contemporary Ethnography (ANTH 456) [Systematic
Ethnographic Data Collection and Analysis], Cognitive Social Psychology
(SOC 344)
- 1998 Adjunct Assistant Professor
Department of International Health and Development
School of Public Health and Tropical Medicine
Tulane University
Course: Formal Qualitative Methods [Systematic Ethnographic Data
Collection and Analysis]
- 1994 - 1996 Research Consultant
Social Development Research Group, School of Social Work
University of Washington
- 1993 Editor 2
Department of Psychiatry and Behavioral Sciences
University of Washington
- 1991 Teaching Associate (Lecturer)
School of Social Sciences
University of California, Irvine
Course: Introduction to Language and Culture
- 1990 - 1991 Lecturer
Department of Human Development,
California State University, Long Beach
Course: Development of Cognition
- 1990 Research Assistant
School of Social Sciences
University of California, Irvine

POSITIONS HELD (continued)

- 1989 - 1991 Teaching Assistant
 School of Social Sciences
 University of California, Irvine
 Courses: Introduction to Sociology, Cross-Cultural Marriage and Family,
 Probability and Statistics in the Social Sciences, and
 Graduate Statistics for Social Scientists
- 1988 - 1989 Research Assistant
 Social Development Research Group, School of Social Work
 University of Washington
- 1986 Research Assistant
 Alcohol and Drug Abuse Institute
 University of Washington

GRANTS:

- September, 1996 - "Enhancing Recall of HIV Risk Behaviors," National Institute on Drug
 July, 2002 Abuse, Devon D. Brewer, Principal Investigator.
- June, 1999- "Interviewer Factors in Eliciting HIV Risk Networks," National Institute on
 May, 2001 Drug Abuse, John J. Potterat, Principal Investigator, Devon D. Brewer, co-
 Principal Investigator
- October, 2001 - "Peer-driven Cluster Tracing to Identify STD/HIV in Men who Have Sex
 September, 2002 with Men," Centers for Disease Control and Prevention, Devon D. Brewer,
 Co-Investigator (Matthew R. Golden, Principal Investigator)
- May, 2002 - "Etiology and Prevention of Blood-borne Viruses in IDUs," National
 December, 2007 Institute on Drug Abuse, Devon D. Brewer, Co-Investigator (Holly C.
 Hagan, Ph.D., Principal Investigator)
- September, 2003- "Clients of Prostitute Women: Deterrence, Prevalence, Characteristics,
 May, 2006 and Violence," National Institute of Justice, Devon D. Brewer, Principal
 Investigator.
- April, 2006- "Daily Self-reports of Injection Drug Use and Risk," National Institute on
 March, 2008 Drug Abuse, Devon D. Brewer, Co-Principal Investigator (Barbara Leigh,
 Principal Investigator)
- September, 2008 - "Improving Public Health and Medicine with Reality Mining," Robert Wood
 March, 2009 Johnson Foundation, Devon D. Brewer, Co-Investigator (Sandy Pentland,
 Principal Investigator)

GRANTS: (continued)

September, 2011 - "Measuring Contact Rates, Mixing Patterns and Influenza Transmission in
September, 2012 Schools," Centers for Disease Control and Prevention, Devon D. Brewer,
Consultant (Marcel Salathe, Principal Investigator)

September, 2011 - "Dynamical Processes in Interdependent Techno-social Networks,"
August, 2015 National Science Foundation, Devon D. Brewer, Co-Investigator (Eugene
Stanley and David Lazer, Principal Investigators)

HONORS, AWARDS, AND FELLOWSHIPS:

- 2002 Freeman (Early Career) Award, International Network for Social Network
Analysis
- 1998-1999 Professional Development Scholarships, Professional Staff Organization,
University of Washington
- 1993 Student Paper Prize, 13th Int. Sunbelt Social Network Conference
- 1992 Robin M. Williams, Jr. Paper Award, Department of Sociology,
University of California, Irvine
- 1991-1994 Air Force Laboratory Graduate Fellowship,
Air Force Office of Scientific Research
Sponsor: Armstrong Laboratory, Brooks AFB, Texas
- 1991 Peter Kong-Ming New Award, Society for Applied Anthropology
- 1989-1990 Chancellor's Fellowship, University of California, Irvine
- 1989 Distinction in Anthropology, University of Washington
- 1989 Elected to Phi Beta Kappa, University of Washington
- 1988-1989 Phi Beta Kappa Scholarship, Puget Sound Association of Phi Beta Kappa
- 1987-1989 Undergraduate Merit Scholarships, University of Washington

PRESENTATIONS

Papers Presented at Conferences

- Brewer, D. D. A systematic review of post-marital residence patterns in prehistoric hunter-gatherers. Invited presentation at the Systematic Data Collection and Appropriate Math Modeling conference, Irvine, CA, November 5, 2015.
- Margolin, D. B., Brewer, D. D., & Lazer, D. M. J. Opportunities and limitations for research using call data records to extract personal networks. Presentation at the 34th International Sunbelt Social Networks Conference, St. Pete Beach, FL, March 20, 2014.
- Brewer, D. D., Margolin, D. B., & Lazer, D. M. J. Female-centered kin networks and mobile phone communication. Presentation at the 34th International Sunbelt Social Networks Conference, St. Pete Beach, FL, March 19, 2014.
- Margolin, D., Lin, Y-R., Brewer, D., & Lazer, D. Matching data and interpretation: Towards a Rosetta Stone joining behavioral and survey data. Presentation at the 2nd "When the City Meets the Citizen" Workshop, International Conferences on Weblogs and Social Media, Boston, July, 2013.
- Lazer, D. , Brewer, D., Margolin, D., & Lin, Y-R. Who you gonna call?: Behavioral signatures of significant relationships in emergency situations. Presentation at NetSci 2013, June, 2013, Copenhagen.
- Brewer, D. D., & Roberts, J. M., Jr. Investigating spatial mobility and social predictors of common illnesses. Presentation at the 32nd International Sunbelt Social Networks Conference, Redondo Beach, CA, March 16, 2012. Presentation available at SSRN: <http://ssrn.com/abstract=2817141>.
- Brewer, D. D. Effective interviewing strategies for contact tracing. Invited keynote presentation at the Winnipeg Regional Health Authority Population and Public Health Conference (Integrating the Management of Sexually Transmitted and Blood-borne Infections), Winnipeg, Canada, March 22, 2011.
- Brewer, D. D. Knowledge of blood-borne transmission risk inversely associated with HIV infection in sub-Saharan Africa. Invited presentation at the 11th annual meeting of the Safe Injection Global Network, World Health Organization, Dubai, United Arab Emirates, November, 2010.
- Brewer, D. D. Practical research designs for investigating modes of HIV transmission. Invited presentation at the 11th annual meeting of the Safe Injection Global Network, World Health Organization, Dubai, United Arab Emirates, November, 2010. Presentation available at SSRN: <http://dx.doi.org/10.2139/ssrn.2542630>.

Papers Presented at Conferences (continued)

- Brewer, D. D. HCV and HIV prevalences strongly correlated in Asian communities with reservoirs of HIV in high-risk groups. Invited presentation at the 11th annual meeting of the Safe Injection Global Network, World Health Organization, Dubai, United Arab Emirates, November, 2010.
- Brewer, D. D., Seddig, E. L., & Leigh, B.C. Comparison of daily reports and retrospective recall for eliciting drug injection partners. Presentation at the 24th International Sunbelt Social Networks Conference, San Diego, CA, March 10-15, 2009. Presentation available at SSRN: <http://dx.doi.org/10.2139/ssrn.2542626>.
- Brewer, D. D. The value of reality mining to epidemiology, public health, and medicine. Invited presentation at the Robert Wood Johnson Foundation meeting on Reality Mining and Health, Cambridge, MA, February, 2009.
- Leigh, B. C., Brewer, D. D., & Seddig, E. L. Collecting daily self-reports of injection drug use via automated telephone interviewing. Poster presented at the 70th annual meeting of the College on Problems of Drug Dependence, San Juan, Puerto Rico, June, 2008.
- Brewer, D. D., Muth, S. Q., Roberts, J. M., Jr., & Potterat, J. J. Reliability of reported sexual partnership dates and measures of concurrency. Invited presentation at the Workshop on the Current Chlamydia Epidemic in Western Societies, August 31, 2007, Stockholm; also presented at the 28th International Sunbelt Social Networks Conference, St. Pete Beach, FL, January, 2008. Presentation available at SSRN: <http://dx.doi.org/10.2139/ssrn.2542657>.
- Brewer, D. D., Roberts, J. M., Jr., & Potterat, J. J. Punctures during prenatal care associated with prevalent HIV infection in sub-Saharan African women. Presentation at the 17th meeting of the International Society for Sexually Transmitted Diseases Research, Seattle, July, 2007. Presentation available at SSRN: <http://ssrn.com/abstract=2813459>.
- Golden, M. R., Brewer, D. D., Hogben, M., Malinski, C., Golding, A., & Holmes, K. K. Advanced provision of emergency contraception among women receiving partner notification services for gonorrhea or chlamydial infection: A randomized controlled trial and meta-analysis. Poster presentation at the 17th meeting of the International Society for Sexually Transmitted Diseases Research, Seattle, July, 2007.
- Brewer, D. D. A large specific deterrent effect of arrest for patronizing a prostitute. Invited presentation at the 2006 National Institute of Justice Conference, Washington, DC, July.
- Dudek, J. A., & Brewer, D. D. Comparison of single and serial killers of prostitute women. Invited presentation at the 2006 National Institute of Justice Conference, Washington, DC, July.

Papers Presented at Conferences (continued)

- Brewer, D. D. A plea for consistent terminology for personal and social networks. Paper presented at the 26th International Sunbelt Social Networks Conference, Vancouver, Canada, April, 2006. Presentation available at SSRN: <http://dx.doi.org/10.2139/ssrn.2542660>.
- Brewer, D. D., Dudek, J. A., Muth, S. Q., Roberts, J. M., Jr. & Potterat, J. J. Comparative profile of violent clients of prostitute women. Paper presented at the 8th International Investigative Psychology Conference, London, UK, December 15, 2005.
- Brewer, D. D., Muth, S. Q., Dudek, J. A., Potterat, J. J., & Roberts, J. M., Jr. Geographic profiles of violent clients of prostitute women and violent clients overall. Paper presented at the 8th annual Crime Mapping Research Conference, Savannah, GA, September, 2005. Presentation available at SSRN: <http://dx.doi.org/10.2139/ssrn.2542635>.
- Brewer, D. D., Hagan, H., Sullivan, D. G., Muth, S. Q., Hough, E. S., & Gretch, D. R. Injection network structure, injection risk behavior, and incident HCV infection in drug injectors. Paper presented at the 25th International Sunbelt Social Networks Conference, Redondo Beach, CA, February, 2005.
- Brewer, D. D., Roberts, J. M., Jr., Muth, S. Q., & Potterat, J. J. Prevalence of clients of prostitute women in North America. Paper presented at the 25th International Sunbelt Social Networks Conference, Redondo Beach, CA, February, 2005.
- Brewer, D. D., Roberts, J. M., Jr., Muth, S. Q., & Potterat, J. J. Prevalence of clients of prostitute women in North America. Paper presented at the 2004 annual meeting of the American Society of Criminology, Nashville, TN, November.
- Brewer, D. D., Potterat, J. J., Muth, S. Q., & Roberts, J. M., Jr. Assessing the specific deterrent effect of arrest for patronizing a prostitute. Paper presented at the 2004 annual meeting of the American Society of Criminology, Nashville, TN, November.
- Brewer, D. D. Enhanced partner notification interviewing techniques. Invited presentation at the 1st Western Canadian Conference on Sexually Transmitted Infections and HIV, Edmonton, Canada, September 14, 2004.
- Brewer, D. D., Dudek, J. A., Potterat, J. J., Muth, S. Q., & Woodhouse, D. E. Extent and perpetrators of prostitution-related homicide in the US. Paper presented at the 2004 Annual Meeting of the Homicide Research Working Group, Ann Arbor, MI, June.

Papers Presented at Conferences (continued)

- Brewer, D. D., Potterat, J. J., & Muth, S. Q. Interviewer effects in the elicitation of sexual and drug injection partners. Paper presented at the 24th International Sunbelt Social Network Conference, Portoroz, Slovenia, May 2004. Presentation available at: <http://dx.doi.org/10.2139/ssrn.2552976>.
- Brewer, D. D., Golden, M. R., & Handsfield, H. H. Factors associated with potential exposure to and transmission of HIV in a probability sample of men who have sex with men. Paper presented at the 2004 National STD Prevention Conference, March, Philadelphia.
- Brewer, D. D., Golden, M. R., Wood, R. W., Krekeler, B., & Handsfield, H. H. Comparison of men who have sex with men (MSM) in a community probability sample with MSM in clinical samples. Poster presented at the presented at the 2004 National STD Prevention Conference, March, Philadelphia.
- Brewer, D. D. Advances in methods for eliciting sexual networks. Invited symposium presentation, 15th Biennial Congress of the International Society for the Sexually Transmitted Diseases Research, Ottawa, July 2003.
- Brewer, D. D. Missing links in reported social ties. Invited plenary address for the Freeman Award, 23rd International Sunbelt Social Network Conference, Cancun, February 2003.
- Roberts, J. M., Jr., & Brewer, D. D. Estimating the prevalence of male clients of prostitute women in Vancouver with a simple capture-recapture method. Paper presented at the 22nd International Sunbelt Social Network Conference, New Orleans, February, 2002.
- Brewer, D. D., Potterat, J. J., Muth, S. Q., Malone, P. Z., Montoya, P., Green, D. L., Rogers, H. L., Plummer, L. A., Maldonado, T., Hurlbutt, S., & Cox, P. Randomized trial of supplementary interviewing techniques to enhance recall of sexual partners in partner notification contact interviews. Paper presented at the 22nd International Sunbelt Social Network Conference, New Orleans, February, 2002. Also presented as a poster at the National STD Prevention Conference, San Diego, March, 2002.
- Brewer, D. D. Enhancing recall of sexual partners. Invited presentation at the Annual STD and HIV Partner Counseling Update, Washington State Department of Health, SeaTac, Washington, December 14, 2001.
- Brewer, D. D., & Garrett, S. B. Interviewing techniques to enhance recall of sexual and drug injection partners. Paper presented at the 7th Annual Joint Conference on Health, Tacoma, WA, October 2, 2000.

Papers Presented at Conferences (continued)

- Brewer, D. D. Biases in perceiving one's own social position and social ties as evolved psychological mechanisms. Invited paper presented at the Cologne 2000: "Ethnography, social theory, and networks" conference in memoriam Thomas Schweizer, Koeln, Germany, July, 2000.
- Brewer, D. D., & Garrett, S. B. Results from a randomized trial of interviewing techniques to enhance recall of sexual and drug injection partners. Paper presented at the 20th International Sunbelt Social Network Conference, Vancouver, Canada, April, 2000.
- Brewer, D. D., Rinaldi, G., Mogoutov, A., & Valente, T. W. A quantitative review of associative patterns in the recall of persons. Paper presented at the Linton C. Freeman Festschrift session, 20th International Sunbelt Social Network Conference, Vancouver, Canada, April, 2000.
- Brewer, D. D. Supplemental interviewing techniques to maximize output in free listing tasks. Paper presented at the sessions in honor of A. Kimball Romney, 29th annual meeting of the Society for Cross-Cultural Research, New Orleans, LA, February, 2000.
- Brewer, D. D. Enhancing recall of sexual and injection partners. Poster presented at Understanding Drug Abuse and Addiction: Myths vs. Reality, Seattle, WA, November 10, 1999.
- Brewer, D. D., & Garrett, S. B. No difference between 1- and 2-year recall periods in locatability of sexual and drug injection partners. Poster presented at the 13th meeting of the International Society for Sexually Transmitted Diseases Research, Denver, CO, July 12, 1999. Full paper available at SSRN: <http://dx.doi.org/10.2139/ssrn.2099812>.
- Brewer, D. D., Garrett, S. B., & Rinaldi, G. Free listed items are effective cues for eliciting additional items in semantic domains. Paper presented at the 3rd biennial meeting of the Society for Applied Research in Memory and Cognition, Boulder, CO, July 9, 1999.
- Brewer, D. D., Garrett, S. B., & Rinaldi, G. Patterns in the recall of sexual and injection partners. Paper presented at the 3rd biennial meeting of the Society for Applied Research in Memory and Cognition, Boulder, CO, July 11, 1999.
- Brewer, D. D., Potterat, J. J., Garrett, S. B., Muth, S. Q., & Roberts, J. M., Jr. Prostitution accounts for the gender discrepancy in reported number of sexual partners. Paper presented at the 19th International Sunbelt Social Network Conference, Charleston, SC, February 18-21, 1999.

Papers Presented at Conferences (continued)

- Brewer, D. D., Potterat, J. J., Garrett, S. B., Muth, S. Q., Roberts, J. M., Jr., & Rothenberg, R. B. Comparison of direct estimate and partner elicitation methods for measuring the number of sexual and drug injection partners. Poster presented at the 126th annual meeting of the American Public Health Assoc., November 16, 1998, Washington, DC. Full paper available at SSRN: <http://dx.doi.org/10.2139/ssrn.2548807>.
- Brewer, D. D., Garrett, S. B., & Kulasingam, S. Forgetting of sexual and drug injection partners in recall interviews. Paper presented at the 18th Sunbelt and 5th European International Social Networks Conference, Sitges, Spain, May, 1998.
- Miller, M. L., Kaneko, J., Bartram, P., Brewer, D. D., & Marks, J., Jr. Consensus analysis of the pelagic knowledge of fishermen and fishery scientists in Hawai'i. Paper presented at the annual meeting of principal investigators, Pelagic Fisheries Research Program, JIMAR, University of Hawai'i at Manoa, November, 1997.
- Brewer, D. D., Rinaldi, G., Mogoutov, A., & Valente, T. W. Improved measurement of and new data on associative patterns in the recall of persons. Paper presented at the 17th International Sunbelt Social Network Conference, San Diego, February, 1997.
- Brewer, D. D., & Webster, C. M. Recall and recognition of friends by residents of a university dormitory. Paper presented at the 17th International Sunbelt Social Network Conference, San Diego, February, 1997.
- Brewer, D. D., Catalano, R. F., Haggerty, K., Gainey, R. R., & Fleming, C. B. A meta-analysis of factors associated with continued drug use during and after treatment for opiate addiction. Paper presented at the meetings of the Pacific Sociological Association, Seattle, March, 1996.
- Price, D. H., & Brewer, D. D. The relationship between power and position in irrigation networks in Egypt's Fayoum oasis. Paper presented at the meetings of the Pacific Sociological Association, Seattle, March, 1996. Full paper available at SSRN: <http://dx.doi.org/10.2139/ssrn.2249953>.
- Brewer, D. D., Mogoutov, A., & Vichnevskaja, T. Patterns in the recall of personal network members by Russian immigrants to France. Paper presented at the 16th International Sunbelt Social Networks Conference, Charleston, South Carolina, February, 1996.
- Brewer, D. D. No associative biases in the first name cued recall procedure for eliciting personal networks. Paper presented at the International Social Network Conference, London, United Kingdom, July, 1995.
- Brewer, D. D. Constancy of clustering over the course of recall. Paper presented at the 14th International Sunbelt Social Networks Conference, New Orleans, February, 1994. Full paper available at SSRN: <http://dx.doi.org/10.2139/ssrn.2096698>.

Papers Presented at Conferences (continued)

- Brewer, D. D. Cognitive indicators of knowledge in semantic domains. Paper presented at the annual meetings of the American Anthropological Association, Washington, D. C., November, 1993.
- Brewer, D. D. The social structural basis of the organization of persons in memory. Paper presented at the Third European Conference on Social Network Analysis, Munich, Germany, June, 1993.
- Brewer, D. D. Work interaction patterns and status as fundamental factors of social cognition in organizations. Invited panel presentation at the annual meetings of Meso: An Organization for the Integration of Micro and Macro Organizational Behavior, Irvine, CA, May, 1993.
- Brewer, D. D. Patterns in the recall of persons in an organizational department. Paper presented at the West Coast Conference of Small Group Research, Los Angeles, April, 1993.
- Brewer, D. D., & Yang, B. L. Patterns in the recall of persons in a religious community. Paper presented at the 13th International Sunbelt Social Network Conference, Tampa, FL, February, 1993.
- Van Raalte, J. L., Brewer, D. D., Brewer, B. W., & Linder, D. E. Sport psychologists' perceptions of sport oriented practitioners. Paper presented at the annual meetings of the Association for the Advancement of Applied Sport Psychology, Colorado Springs, CO, October, 1992.
- Brewer, D. D. The relationship between centrality and cultural knowledge in a professional network. Paper presented at the 12th International Sunbelt Social Network Conference, San Diego, CA, February, 1992.
- Romney, A. K., Webster, C., Kumbasar, E., Brewer, D. D., & Brazill, T. J. Estimating the number of common factors in related social networks. Paper presented at the Conference on Measurement Theory and Social Networks, Irvine, CA, August, 1991.
- Brewer, D. D. The policy is on the wall: Hip Hop graffiti writers' evaluations of strategies to control illegal graffiti. Paper presented for the Peter K. New Award at the annual meetings of the Society for Applied Anthropology, Charleston, SC, March, 1991.
- Brewer, D. D., Christensen, H. H., & Miller, M. L. Hip Hop graffiti writers: Ethnographic observations on an urban youth subculture. Paper presented at the International Symposium on Vandalism: Research, Prevention, and Social Policy, Seattle, WA, March, 1988.

Workshops Led

Brewer, D. D. Introduction to social network analysis. Invited workshop at the New York Center for Agricultural Medicine and Health, Cooperstown, NY, October 10-11, 2011.

Brewer, D. D. Introduction to social network analysis. Invited workshop at the Center for Addiction and Behavioral Health Research, University of Wisconsin-Milwaukee, June 9-10, 2008.

Brewer, D. D. Interviewing methods for investigating social networks and infectious disease. Invited training presentation at the Social Network Interviewing Workshop, Public Health Agency of Canada/Toronto Public Health, Toronto, November 14, 2006.

Brewer, D. D. Data collection methods for investigating social networks related to infectious disease. Invited presentation at the Workshop on Social Network Analysis, British Columbia Centre for Disease Control, Vancouver, Canada, August 27, 2003.

Colloquium Presentations

Blood-borne HIV transmission in sub-Saharan Africa. BioCultural Anthropology Seminar, University of Washington, October 28, 2009. Also presented at Epidemiology Brown Bag Seminar, HIV/AIDS Epidemiology Program, Public Health-Seattle & King County, November 10, 2009.

Taking person, place, and time seriously in infectious disease epidemiology and diffusion research. Cambridge Colloquium on Complexity and Social Networks, Harvard University, sponsored by the Kennedy School of Government and the Institute for Quantitative Social Science, April 5, 2007.

Deterrence, prevalence, and violence of male clients of prostitute women. J.U.I.C.E. seminar, National Institute of Justice, Washington, D.C., January 26, 2006.

A simple and versatile capture-recapture method for "one-sample" data, with applications (with John M. Roberts, Jr.). Center for Statistics and the Social Sciences seminar, University of Washington, November 2, 2005

Investigating person, place, time, DNA, and behavior for a comprehensive infectious disease epidemiology. Presented at the Center for Drug Use and HIV Research, National Development and Research Institutes, Inc., New York City, September 19, 2005, and at the Workshop on Network Epidemiology, Stockholm Group for Epidemic Modeling, Stockholm, November 7, 2005.

Social structural and behavioral underpinnings of hyperendemic HCV transmission in drug injectors. Presented at the Alcohol and Drug Abuse Institute Brown Bag Seminar, University of Washington, June 14, 2005, and at the Epidemiology Brown Bag Seminar, HIV/AIDS Epidemiology Program, Public Health-Seattle & King County, July 12, 2005.

Current HIV risk profile of men who have sex with men (MSM) from the 2003 Seattle random digit dial telephone survey of MSM. Seattle MSM HIV/STD Prevention Task Force, November 1, 2004.

Enhanced partner notification interviewing techniques. San Francisco Department of Public Health, September 28, 2004.

Extent and perpetrators of prostitution-related homicide in the U.S. Department of Sociology, University of New Mexico, Albuquerque, September 3, 2004.

Case finding effectiveness of and interviewing practices in STD/HIV partner notification. Seminar, Swedish Institute for Infectious Disease Control, Stockholm, May 3, 2004.

Current population-level HIV risk profile of men who have sex with men (MSM) from the 2003 Seattle random digit dial telephone survey of MSM. Epi Brown Bag Seminar, HIV/AIDS Epidemiology, Public Health-Seattle and King County, Seattle, WA, February 10, 2004.

Colloquium Presentations (continued)

Interviewer effects in the elicitation of sexual and drug injection partners. Center for Statistics and the Social Sciences Seminar, University of Washington, Seattle, WA, November 12, 2003.

Networks and the transmission of STD, HIV, and other infectious diseases. Adolescent Consortium of N.E. Ohio, The Cleveland Foundation, Cleveland, OH, May 6, 2003.

Mortality in a long-term open cohort of prostitute women. Center for Adolescent Health, School of Medicine, Case Western Reserve University, Cleveland, OH, May 5, 2003.

Missing links and filling gaps in reported sexual and injection network data. National Center for HIV, STD, and TB Prevention, Centers for Disease Control, Atlanta, GA, March 27, 2003.

Randomized trial of supplementary interviewing techniques in partner notification contact interviews. STD Research and Clinical Conference, University of Washington, Centers for AIDS and Sexually Transmitted Diseases, Public Health-Seattle & King County, March 21, 2002.

Evaluation of supplementary interviewing techniques to enhance recall of sexual and drug injection partners. Cognitive Seminar, Department of Psychology, University of Washington, January 9, 2001.

Evaluation of supplementary interviewing techniques to enhance recall of sexual and drug injection partners. National Center for HIV, STD, and TB Prevention, Centers for Disease Control, Atlanta, GA, August 3, 2000.

Free listing and network elicitation. Qualitative Technical Support Group, Public Health-Seattle & King County, April 10, 2000.

Forgetting of sexual and drug injection partners in recall interviews. Cognitive Seminar, Department of Psychology, University of Washington, October 6, 1998.

Incomplete recall of sexual and drug injection partners in interviews. STD Research and Clinical Conference, University of Washington, Centers for AIDS and Sexually Transmitted Diseases, Seattle-King County Department of Public Health, May 21, 1998.

Social networks and the organization of persons in memory. Socio-Cultural Anthropology Colloquium, Department of Anthropology, University of Washington, November 10, 1997.

Associative patterns in the recall of persons. Cognitive Seminar, Department of Psychology, University of Washington, October 21, 1997.

Constancy of clustering over the course of recall. Social Networks Colloquium, University of California, Irvine, May 19, 1994

Colloquium Presentations (continued)

Patterns in the recall of persons in a student community. Social Networks Colloquium, University of California, Irvine, October 28, 1992.

Patterns in the recall of persons in two communities. Social Networks Colloquium at University of California, Santa Barbara, October 12, 1992.

EDITORIAL AND REVIEW SERVICE

Journals/other publications:

Editor: Journal of Infection in Developing Countries (2010-2011)

Associate Editor: Journal of Social Structure (2005-2010)

Editorial Board member: Sexually Transmitted Diseases (2004-2010)

Lead Guest Editor, Social Networks, for a special issue entitled "Honoring the contributions of A. Kimball Romney to social network analysis," 2002, volume 24, issue 3.

Guest Co-Editor, Field Methods, for a special issue entitled "Systematic data collection and analysis: In honor of A. Kimball Romney", 2002, volume 14, number 1.

Guest Co-Editor, Cross Cultural Research, for a special issue in honor of A. Kimball Romney, 2004, volume 38, number 3.

Guest Editor, Journal of Quantitative Anthropology, for a special issue on cognition and social networks (1995), Volume 5, Number 4

Review Editor, Journal of Quantitative Anthropology, July, 1994 - December, 1996

EDITORIAL AND REVIEW SERVICE (continued)

Referee for: Addiction, Advances in Medical Sociology, AIDS and Behavior, AIDS Patient Care and STDs, Alta Mira Press (Handbook of Method in Cultural Anthropology), American Anthropologist, American Journal of Epidemiology, American Journal of Public Health, American Sociological Review, Annals of Epidemiology, Behavior Research Methods, Biomed Central Public Health, British Journal of Psychology, Cochrane Collaboration (Drugs and Alcohol Group), Connections (the official journal of the International Network for Social Network Analysis), Encyclopedia of Social Measurement, Field Methods (and its predecessor, Cultural Anthropology Methods Journal), Eurosurveillance, Health Education Research, Health Psychology, Human Organization, International Journal of STD & AIDS, Journal of Acquired Immune Deficiency Syndromes, Journal of Consulting and Clinical Psychology, Journal of Experimental Psychology: Learning, Memory, and Cognition, Journal of Health Care for the Poor and Underserved, Journal of Infection in Developing Countries, Journal of the International AIDS Society, Journal of Paediatrics and Child Health, Journal of Quantitative Anthropology, Journal of Sex Research, Journal of Substance Abuse, Medical Anthropology Quarterly, Metodoloski zvezki, Organization Science, PLoS One, Preventive Medicine, Proceedings of the National Academies of Sciences of the United States of America, Psychology of Addictive Behaviors, Rationality and Society, Scandinavian Journal of Public Health, Sexually Transmitted Diseases, Sexually Transmitted Infections, Social Networks, Sociological Methods and Research, South African Medical Journal, Violence Against Women, Violence and Victims, WebmedCentral

Grant proposal review:

Research Grant Proposal Reviewer, Carnegie Trust for the Universities of Scotland, 2011-2.

Research Grant Proposal Reviewer, Harry Frank Guggenheim Foundation, August 2004.

Grant Proposal Reviewer, Medical Research Council (United Kingdom), 2003, 2005, 2007.

Grant Proposal Reviewer, Methodology, Measurement, and Statistics (MMS), Cultural Anthropology, and Sociology Programs, National Science Foundation, 2003-2009.

Grant Proposal Reviewer, Division of STD Prevention, Centers for Disease Control and Prevention, September 2001.

Member, National Institute on Drug Abuse (NIDA) Special Emphasis Grant Review Panel ("Responding to Club Drugs and Other Emerging Drug Abuse Trends"), July 2001.

Grant Proposal Reviewer, Information Technology Program, Small Business Innovation Research/Small Business Technology Transfer (SBIR/STTR) Program, National Science Foundation, 2000-2001.

Grant Proposal Reviewer, Royalty Research Fund, Univ. of Washington, December, 1997.

EDITORIAL AND REVIEW SERVICE (continued)

Reviewer of report on risk factors for youth violence, Department of Health, State of Washington, November, 1994

CONSULTANT

ScienceDocs (2015 – present): edited and rewrote manuscripts and grant proposals in the health and social sciences.

Heritage Research Center (Missoula, MT) (2015 – 2016): conducted archival research related to a Superfund (environmental pollution) site.

Welcome Back – Quitline registries for continuously engaging participants in cessation (Beatriz Carlini, Principal Investigator), University of Washington, (2014): advised investigators on research and survey design, and developed, deployed, and maintained interactive voice response (automated telephone interviews), e-mail, and text (SMS) systems to re-engage relapsed smokers into quitline treatment.

Mobile phone communication during Hurricane Sandy (David Lazer, Principal Investigator), Northeastern University, (2012-2015): led design of study and questionnaire, developed and deployed Android smartphone application to administer survey and summarize call and text log data, coordinated recruitment, managed data, performed data analysis, and contributed to study reports.

Social network analysis of the Community Engagement Key Function (Zeno Franco, Principal Investigator), Clinical and Translational Science Institute of Southeastern Wisconsin, Medical College of Wisconsin (2012-present): advised investigators on research design, data management, and data analysis and performed data management and analysis for project on the social network among health-related organizations and faculty in Wisconsin.

Generating structural and financial support for tractor retrofitting initiatives: the development of an upstream social marketing strategy (Julie Sorensen, Principal Investigator), New York Center for Agricultural Medicine and Health (Cooperstown, NY) (2011-2012): advised investigators on study and questionnaire design, developed and administered web surveys on inter-organizational networks, and performed data management and analysis.

Spectrum Research, Inc. (Tacoma, WA) (2011): developed contract proposal on ovarian cancer epidemiology for commercial client; performed systematic reviews of the literature on various aspects of spinal surgery; and advised on questionnaire design for survey of spine surgeons.

Event-level analysis of expectancies, alcohol use, and consequences (Christine Lee, Principal Investigator), University of Washington (2010-2014): advised on questionnaire and study design; programmed, deployed, and monitored interactive voice response interview system for data collection.

CONSULTANT (continued)

Des Moines Police Department (Washington state) (2010): advised police on investigation of prostitute homicide.

Global burden of disease from unsafe medical injections and cost of disease and rehabilitation (Savanna Reid, Principal Investigator), University of Nevada, Las Vegas (2010): performed data analysis.

Development and reliability study of a daily alcohol expectancy questionnaire (Christine Lee, Principal Investigator), University of Washington (2008-2009): advised on questionnaire design; programmed, deployed, and monitored interactive voice response interview system for data collection.

Human Terrain System program, U.S. Army, Fort Leavenworth, Kansas, administered by BAE Systems (2008): instructor on systematic ethnography and social structural analysis.

Random digit dial survey of men who have sex with men (Matthew Golden, P.I.), Public Health-Seattle and King County (2006): developed questionnaire, coordinated implementation of survey, and contributed to manuscript.

Organizational learning from error (Michal Tamuz, P.I.), University of Tennessee Health Science Center (2006): advised investigators on study and questionnaire design for a project on medication errors and the social networks among hospital personnel.

Adoption of BlackBerries in law enforcement teams (Edward Balkovich and Susan Straus, co-P.I.s), RAND Corporation (2004-6): advised investigators on study and questionnaire design and performed data analysis.

Alberta Health and Wellness (2004): advised provincial public health officials about partner notification strategies and contact interviewing techniques.

Social network analysis of sociometric choice in preschool classrooms (Michal Perlman, P.I.), University of Toronto (2004): advised investigators on data management and social network methods, concepts, and literature, and performed data analysis.

Network Integration: Serving Clients with HIV and Serious Mental Illness (Peter Mendel, P.I.), RAND Corporation (2002-2005): advised investigators on questionnaire construction, research design, and data management, and performed data analysis.

Tie Social Network Study (Holly Hagan, P.I.), Public Health-Seattle and King County (2000 - 2007): trained interviewers in elicitation of sexual and drug injection partners, and performed data management and analysis.

CONSULTANT (continued)

Local Fisheries Knowledge Project (Marc L. Miller, P.I.), School of Marine Affairs, University of Washington (1997-2004): advised project investigators on data collection, analysis, and research design, and contributed to manuscript writing.

Review of case finding effectiveness of and interviewing procedures for STD/HIV partner notification, Division of STD Prevention, National Center for HIV, STD, and TB Prevention, Centers for Disease Control (2003): performed literature reviews.

Social Network Structure, Drug Use, and HIV Risk (John Potterat, P.I.), El Paso County Dept. of Health and Environment, Colorado Springs, CO (1997 - 2000): performed data analysis.

Battelle Memorial Institute, Seattle, WA (1993-1995): assisted in developing and writing contract and grant proposals on HIV risk behavior and social networks.

Cross-Cultural Pain Research Project (Rod Moore, P.I.), Department of Oral Medicine, School of Dentistry, University of Washington (1994): advised project investigators on data collection, analysis, and research design.

Expert witness in a civil case (Sherwin-Williams Company, et al. v. City and County of San Francisco) concerning an ordinance requiring retailers to lock up spray paint and ink markers for the prevention of illegal graffiti, San Francisco, CA, December, 1993 - March, 1994.

Expert witness in a civil case (National Paint and Coatings Association, Sherwin-Williams Company, et al. v. City of Chicago) concerning a ban on spray paint and ink markers as a method for curbing illegal graffiti, Chicago, IL, May - June, 1993.

Clients for consulting on graffiti related issues (1988-1992): Hewitt-Daly-Isley, architectural firm, Seattle, WA; METRO, municipal transit company, King County, WA; KCTS, Channel 9, public television station, Seattle, WA; Morgan-Monceaux Art Gallery, Seattle, WA; Center on Contemporary Art, Seattle, WA; Washington Centennial Commission, Washington State; Sibonga Mayoral Campaign, 1989, Seattle, WA; Dept. of Community Services, Huntington Beach, CA; CALTRANS, California Dept. of Transportation.

ONGOING SELF-FUNDED PROJECT

Health Tracking Network, 2011 – 2013: Data collection for a web-based, prospective, open cohort study to identify factors associated with common illnesses (www.healthtracking.net). Data analysis ongoing.

PUBLIC EDUCATION

In May, 2015, was interviewed for and quoted in a Politifact article on prostitution.

From May, 2010 to present, developed and maintained educational web site, HIV Risk Information (hivrisk.info), about blood-borne risks for HIV infection, especially in sub-Saharan Africa.

In April, 2012, was interviewed for and quoted in a LiveScience.com article on prostitution (republished elsewhere online).

In May, 2009, was interviewed for and quoted in the Los Angeles Times for a report on online prostitution and violence.

In February, 2007, was interviewed for and quoted in media reports on collaborative research on the association between circumcision and HIV infection in eastern and southern Africans appearing in the following outlets: Afrol News (republished elsewhere online), Associated Content, British Medical Journal, Huliq.com (republished elsewhere online), International Herald Tribune, IRIN PlusNews (republished elsewhere online), KaiserNetwork.org Daily Reports (republished elsewhere online), Medindia.com, SciDev.net (republished elsewhere online), Sudan Tribune (republished elsewhere online), Voice of America (republished elsewhere online); article excerpted in Wikipedia (multiple pages) and numerous blogs.

Between 2006 and 2009, was interviewed for and quoted in media reports on collaborative research on the deterrent effect of arrest for patronizing a prostitute appearing in the following outlets: Boston Globe Magazine, FirstScience.com (UK), Huliq.com, Innovations Report (Germany), LiveScience.com (also republished on FoxNews.com), Medical News Today (republished elsewhere by many online outlets), NewsGuide.us, Psychology and Crime News, RxPG News (India), Sacramento Bee, and Toronto Star.

During fall of 2000, was interviewed for and quoted in media reports on collaborative research related to the sex discrepancy in reported number of sexual partners by the following outlets: Associated Press wire (distributed to thousands of media outlets worldwide; story appeared in such newspapers as The New York Times, USA Today, San Francisco Chronicle, London Independent, Houston Chronicle, Washington Post, and Seattle Post-Intelligencer, and aired on such television stations as KING (Seattle) and KCOP (Los Angeles)); ABC News Radio Network; Chronicle of Higher Education; News Tribune (Tacoma, WA); Albuquerque Journal; ABCNews.com; Psychologie Heute (Germany); and University Week (University of Washington). This research was also profiled by other outlets, including Reuters Health, HealthScout, and several additional radio networks, among others.

PUBLIC EDUCATION (continued)

From 1988 to 1995, was interviewed for and quoted in news articles for graffiti for the following periodicals: The Daily (University of Washington), Puget Sound Business Journal (Seattle, WA), Long Beach Press-Telegram (CA), Seattle Times, Irvine World News (CA), Los Angeles Times, TIME Magazine, New University (UC Irvine), "The A Report" (report of the President of the University of California to the Regents of the University of California), UCI Journal, The Highlander (UC Riverside), Orange County Register (CA), Huntington Beach/Fountain Valley Independent (CA), Prognosis (Prague, Czech Republic), Fresno Bee (CA), Fort Wayne Journal-Gazette (IN), San Diego Union (CA).

From 1988 to 1991, appeared as guest for shows about graffiti on the following radio and television stations/wire services: KING TV (Seattle), Orange County Newschannel (CA), KIRO AM (Seattle), KING AM (Seattle), KFWB AM (Los Angeles), KNX AM (Los Angeles), KZSC FM (UC Santa Cruz), Copley Wire News Services.

"A Brief History of Hip Hop Graffiti in Seattle," photo essay and narrative displayed at the University of Washington - Bothell Branch Campus' Arts Festival, November, 1991.

OTHER PROFESSIONAL SERVICE

Chair, session at the annual meeting of the Safe Injection Global Network, World Health Organization, Dubai, United Arab Emirates, November, 2010.

External reviewer for Timo Smieszek's doctoral dissertation, "Models of epidemics: How contact characteristics shape the spread of infectious diseases," ETH Zurich (Swiss Institute of Technology Zurich), May, 2010.

Guest Lecturer on "Sampling, Study Design, and Measurement" in Ann Kurth's Sociobehavioral and Prevention Research Methods in HIV & STIs course (NMETH 515/EPI 549) at the University of Washington, April 21, 2008.

Guest Lecturer on "Sampling, Study Design, and Measurement" in Ann Kurth's Sociobehavioral and Prevention Research Methods in HIV & STIs course (NMETH 515/EPI 549) at the University of Washington, April 23, 2007.

Consultant, HIV Partner Counseling and Referral Services Stakeholder Consultation, Centers for Disease Control and Prevention, Atlanta, November 16-17, 2006.

Invited speaker on "A Very Brief Introduction to Social Network Analysis" at the bimonthly meeting of Program Evaluators Northwest, Seattle, May 11, 2006.

Guest Lecturer on "Sampling, Study Design, and Measurement" in Ann Kurth's Sociobehavioral and Prevention Research Methods in HIV & STIs course (NMETH 515/EPI 549) at the University of Washington, May 5, 2006.

Member, Freeman Award Nominating Committee, International Network for Social Network Analysis, 2004-6.

M.P.H. Thesis committee member (for Sharon B. Garrett), School of Public Health and Community Medicine, University of Washington, 2002.

Guest lecturer on "Enhancing Recall of Sexual Partners" in Susan Joslyn's Applied Issues in Cognition course (PSYCH 471) at the University of Washington, October 15, 2001.

Lead organizer, sessions in honor of A. Kimball Romney, annual meeting of the Society for Cross-Cultural Research, New Orleans, LA, February, 2000.

Member, Prevention Prioritization Subcommittee, Seattle HIV/AIDS Planning Council, 1999.

Guest lecturer on "Semantic Clustering and the Exploitation of Semantic Structure to Enhance Recall" in Eugene Hunn's Culture and Cognition course (ANTH 358) at the University of Washington, March 2, 1999.

Member, Board of Electors, Washington Alpha of Phi Beta Kappa, 1997.

OTHER PROFESSIONAL SERVICE (continued)

Promotion Manager, International Network for Social Network Analysis, 1996-2000.

Supervision of an undergraduate student's independent study, UC Irvine, 1992-1993.

Organizer, session on Cognition and Social Networks, 13th International Sunbelt Social Network Conference, Tampa, FL, February, 1993.

Chair of various sessions at conferences on social networks in Tampa, Munich, New Orleans, London, Charleston, San Diego, Portoroz, Redondo Beach, and St. Pete Beach, 1993-2008.
